Video #1: Introduction to Rapid Lead Magnets

Before we jump into the video course itself, in this particular video we will set the tone for the rest of the course. You'll be given a quick overview so that you can understand exactly what the game plan is, and then we will show you exactly how it all works from a bird's eye view. This means that implementation will be a lot faster.

Video #2: The Ladder

The ladder will allow you to gain a better overall view of exactly why you need a high converting lead magnet or a good freebie that you can offer to people in exchange for

their email address so that you can build your prospect list. So in other words, you need to understand or have a bird's eye view of the actual funnel before you get started. In this video, we will be covering the biggest mistakes that people tend to make that lead to low converting sales funnels.

Video #3: Front End Extraction

Using this particular method, you will be able to create lead magnets at super-fast speeds once you have understood the concept and strategy. I'll give you a heads up on how this strategy will make things congruent and set the tone so that when your prospect comes through and sees your freebie they will be more likely to buy your feature front end offer and one time offers.

Video #4: Medium to Medium

This specific strategy will cover different types of mediums. What I mean by medium is the type of freebie that you will be offering to people in exchange for their email to be added to your list. Could this be a video course, video, e-book, an important report, audio, or something else? While I can't dive into the specific strategy at the moment, this can create high conversion.
