# Effortless Cash Subscribers

## Step 1

### **Quick Summary Of Method**

I will teach you how to use cheap sources of traffic to get unlimited subscribers ultra quick. You will need a “make money” squeeze page for this method to work. You can use your own or you can head over to the URLs below :)

### **LEAD ROCKET** or **CLICK FUNNELS**

You will get a fantastic setup if you use [Click Funnels](#) it will give you a great squeeze page and your own product too, all ready-made. I highly recommend this product, as it has everything you need especially if you are a newbie and you want to learn the basics and even the more advanced stuff that you will certainly help you along your way in the IM (Internet Marketing) niche. There is a monthly fee at [Click Funnels](#), but for good reason.

If you are more interested in a less expensive way to make great high converting squeeze pages I HIGHLY recommend [Lead Rocket](#). You have more control of the layout and this software creates GURU style Pages. You can also choose anything as an OTO (One Time Offer) so you can test all sorts of great offers.

Also with [Lead Rocket](#) you could even make your own sales funnels and sell them for extra cash on the [WarriorForum](#) OR [DigitalPoint](#) Forum, I know a fair amount of people who make lots of extra money just providing these services alone :) So have a look at both and see what you think. Obviously if you already have your won HIGH CONVERTING pages and your own products you can just use those instead, in which case you can skip this step and get on with the secret traffic sources of mine.

If you choose to make your own squeeze page then all you need is something to do with making money! \$\$\$

## CALL TO ACTION

Enter your best Email Address in the Form Below and Click The Button Below To Receive Your Report Instantly... While It is Still Available.

\*Please note if you do this method on your own it may not be as effective as having the full done for you system [CLICK FUNNELS](#) or the guru style layout [LEAD ROCKET](#) !

The Subscribers we will get at first are going to be desperate to make money, so they will opt into our lists very quickly. Once we have at least 300+ subscribers we will join another service to quickly swap these subs to get even more higher targeted subscribers/buyers. We will be doing this via ad-swapping.

If you prefer, you can even build a much bigger list before we take that step: it is entirely up to you. :)

I will also be giving you other sources where we can get much higher quality subscribers and I recommend you do this with your traffic.

This will generate an enormous subscriber/buyer list in a very short time period...

(I have been able to get 800+ subscribers a day just using the cheap source of traffic in my first method!!!!)

I must admit I'm very proud to be giving this information away. This kind of top secret method is not talked about and for a very good reason! All the top marketers use it!!!! You will notice them soon, as you will see them as members of one of the sites we will visit soon.

This is the fastest way to build an internet marketing business. You can this setup in no time and be making money as soon as tonight (as long as you have the correct setup), which is why I highly recommend the packages above.

You have really been handed a bucketful of wealth with my method, so make sure you take action. You will thank me for this, I'm sure. :)

Ok. With that being said, let's move on to the next step.

## Step 2

### **GetResponse**

You can start this step now by getting yourself a Free 30 [GetResponse](#) trial. No credit card needed until you decide to upgrade your account after your trial ends.

>>>>> [GetResponse.com](#)

[GetResponse](#) is the absolute best AutoResponder on the net today! This is one of the best tools I use myself.

If you already have [GetResponse](#), then you can skip this step. :)

## Step 3

### **Hosting**

If you have chosen to go with [Lead Rocket](#) to build your squeeze page then you will need your own hosting. Although there are many hosting services to choose from, I always recommend a good service that's reliable, and in my experience Hostgator is the absolute best. (This is the hosting that I use and have never had any problems with, and I have no intentions on using any other hosting service)

If you choose to ignore my recommendation then results may not be as good as they could be.

By choosing the baby plan at \$9 a month, you get a peace of mind and great customer service. This is also the easiest way to set up your sites.

Make sure to use the Code “1CENT” to get your first month for only 1 cent !

## Step 4

### **Secret traffic source 1**

This is where we start to get the cheap clicks and subscribers really quickly. Remember, we only need 300+ subs (DO NOT GET TOO CRAZY) then it is on to the next stage, which will be ad-swapping with other serious Internet marketers. This is when you will notice that you are on your way to online wealth at a very fast rate.

Providing you have everything set up correctly – IE, your squeeze page and your autoresponder is collecting the leads – Then you are ready to start making money.

Ok. Moving on...

You will need to go here >>>> [adf.ly](http://adf.ly)  
Set up an ADVERTIZER account: Simple enough right. :)

It is very important that you create your profile before moving on to the next step. If you proceed without creating your profile you will look like a robot and you will not get as good of results.

Then click **Create Campaign**

There is a minimum PayPal deposit of \$5

I would recommend you use their WORKDWIDE + PROXY traffic, as that's what I use. WORLDWIDE is only \$1 per 1000 clicks & PROXY is just \$.40 per 1000 clicks, which are both very cheap indeed.

Note: you can direct [Adfly](http://Adfly) traffic almost anywhere so it can be very handy, not just for my method, but the possibilities are endless: CPA, Clickbank, Amazon, etc. :)

WHEN I FIRST STARTED USING THIS TRAFFIC SOURCE – PROXY TRAFFIC GAVE THE BEST QUALITY THEN AFTER A WHILE WORLDWIDE WAS EVEN BETTER. HOWEVER I FIND NOW ITS JUST SIMPLY BEST TO PURCHASE BOTH.

## RECENT TESTING SHOWED THAT PROXY TRAFFIC GAVE ME MORE HIGHER QAUALITY SUBSCRIBERS...

As you can see below, I am ordering 20,000 Worldwide + 20,000 Proxy visitors...

Package Description / Country	Price 1,000	Purchase
<b>Worldwide Deal</b> Traffic from all over the world. <b>HIGH AVAILABILITY!</b>	\$1.00	20 k
<b>Proxy Traffic Deal</b> Traffic from proxy servers. All the rules above still apply EXCEPT it is from known proxy servers, great for some quick and cheap traffic. This is still human traffic, no bots. <b>1/2 PRICE SALE!</b>	\$0.40	20 k

You can choose traffic from different parts of the world but mainly I just use **WORLDWIDE + PROXY** : it's cheap and gets this part of my method done in the fastest possible way. :)

On the next page you will see this, as shown below just enter y name for your advertisement (website name, this can be anything you like: just make sure you include the URL to your website). I just copy and paste my website URL into the box provided.

Previous Website:	Create new website.. ▾
Website Name:	<input type="text" value="Your Website Name"/>
Website URL:	<input type="text" value="http://YOUR-WEBSITE.COM"/>
Max. Daily Budget:	\$ <input type="text" value="28.00"/>

---

After making payment with PayPal, you just need to wait until your website is approved. :)

This does not usually take long. I have sometimes been approved within a couple of hours or a few days: it just depends on how busy Adfly is.

Once approved, the traffic will start to flow, providing the campaign is not on pause, as it will need to be active for the traffic to come through. Check that the traffic is coming through by checking your stats. You can see the stats by simply logging into your account.

You should start to see subscribers in your [GetResponse](#) account almost immediately, :) and once you get to around 300+ subs you are good to go on the the next stage (ad-swapping).

Once you have the minimum of 300+ subs you can start with ad-swapping also simply keep buying the [Adfly](#) traffic once per week to keep the traffic flowing and that way you are constantly building your list and then you can get more clicks to the people that you swap with and should be able to swap with people who have bigger list than you.

Listname	Today	Yesterday	Subscribed
<a href="#">cp2011</a>	0	0	29
<a href="#">homeworkerspro</a>	0	0	7
<a href="#">makemoney1st</a>	0	0	75
<a href="#">makemoneyeasyaz</a>	108	43	1,290
<a href="#">weightlosspage1</a>	0	0	34
Totals	108	43	1,435

THE ABOVE PICTURE IS AN OLD PIC AS I NOW HAVE 10,000+ SUBSCRIBERS FROM DOING EXACTLY WHAT THIS BOOK SHOWS YOU...

When I first tested this method I got 108 subs in only one hour! It took me just one minute to launch a campaign sending 20,000 visitors from [Adfly](#) and I got 108 fresh subs in about 1 hour! PROOF ABOVE! :):) This screen shot was taken when I first achieved this by doing exactly what I have shown you. You can also see the day before, when I got 43 subscribers.

All I did was double the traffic from [Adfly](#). You wouldn't believe me if I told you, but I've since got over 800 subscribers from this method in a single day! I should have taken a screen shot that day too, but in all honesty I didn't plan to sell my method. I was going to be selfish and keep this all to myself until I discovered there was scope plentiful...

HOWEVER – DO NOT GO CRAZY USING ADFLY ! ITS A GREAT PLACE TO GET STARTED HOWEVER THE TRUTH IS, I HAVE SINCE FOUND THE TRAFFIC SOURCE TO BE LESS EFFECTIVE, THE NEXT STEP TAKES CARE OF THIS FOR YOU :)

## [Step 5](#)

### **Secret traffic source 2**

When we get to the ad-swapping is when this whole system gets really serious, with targeted subscribers and buyers. You can't get any more targeted than this. :)

The place I can recommend for ad-swapping is:

>>>> [discount.safe-swaps.com](http://discount.safe-swaps.com)

The reason I suggest this exact site is mainly because it's safe, reliable and trustworthy. This really is the best site around to be doing ad-swaps!!!

You can also buy solo mailings from there, giving you even more QUALITY subscribers. However, before we go ahead with this part, we must make sure we have everything set in place and are ready for the green light. :)

Important Note : Its best to use all of the traffic methods as much as possible to get the best results. Check The **Extra Steps** Section For Even More QUALITY Traffic.

Make sure the following are in place before you move on to the ad-swap method...

1. Squeeze page is set up and working properly (opt in yourself and check).
2. [GetResponse](#) is loaded with quality messages and is working as it should (if you purchased the recommended packages you should already have this).
3. You have at least the recommended 300+ subscribers.
4. You have at least one OTO offer ready for your subscribers.
5. You're excited as you bump up your business to the highest level in the fastest possible way. :)

**Just wait until you see whose faces are on this site**

>>>> [discount.safe-swaps.com](http://discount.safe-swaps.com)

**Top Warrior Forum Members Plus Many of the Clickbank Gurus....**

**Can you see why on-one mentions the power of this method?**

**Its simple! & No-one wants YOU to know about this!**

**We're going to legally steal top quality subscribers and add them to our own list!!!**

To Start we just need to create your email swipe (this is what all the other members will be sending to their list) to get as many subscribers as you can handle to your squeeze page.

Example email swipe below. :) However, please be creative and adapt your own. If everyone uses this same swipe then the swipe will be less effective, as all potential subscribers will be receiving the same email.

The example below is one of my personal swipes. :)
