

[Watch this video for a live demonstration of setup/use >>](#)

Download the .zip file to your computer.

Login to your Wordpress dashboard, and click on Plugins >> Add New

Now click the upload button.

Select the file from your computer and then click the Install button.

Now click Activate.

### **Install Done!**

You can add a new popup easily.

You can add unlimited popups, which will rotate. The #1 popup shows first, the #2 popup shows second, and so on.

Click on the general setting link to choose your display options.

Enter your full affiliate URL for the optional 'powered by' link. (You can get your affiliate link [here](#).)

You can edit a popup at any time, just click the edit button.
