

Week #6 (Full Order)

Remember, the hyperlinks in each email actually work within this pdf. Click each one to be taken to the affiliate page for the product being promoted.

There, you will grab your affiliate link (or request permission to promote).

Once you have your affiliate link, simply replace the links I've included in this pdf with your actual affiliate links. This is how you'll get paid!

Be sure to load these emails into your autoresponder service of choice.

You can set them to go out daily, every other day, or essentially however frequently you'd like.

If you'd prefer to send them out as newsletters (aka broadcasts), that's fine, too... though I really don't see much advantage to doing so. But I never claimed to see all things! ;)

In any case, thanks and enjoy.

I hope you LOVE this week's installment!

-Lee

P.S. Please contact me at lee@listbuildingwithlee.com if any of the products being promoted have been taken off the market. This happens from time to time, and there's really no way for me to monitor such things... so you can be my eyes and ears.

If a product has been taken off the market, I will find a replacement product for you to promote. Thanks.

*****IMPORTANT NOTE FROM LEE*****

Some of my students and customers have voiced concerns over not getting approved by product vendors to promote offers. Listen, it is up to you to make this happen! Do whatever it takes. PM or Email the sons of bitches... over and over again, if that's what it takes.

You are certainly welcome to drop my name. Let them know that you're a student of mine and that you're using my content to promote their stuff. But while that will certainly win you some points with many vendors, I don't have relationships with all product creators on Earth, contrary to what you may think!

As such, let them know that you're a real person. Don't be rigid in your approach. Be laid back, maybe a bit playful. Use words like "brother, my friend, amigo, etc." Don't suck up too much. Make them perceive you as valuable. If you beg them to let you promote, you're gonna look like a schmuck.

I've never used that word. Ever. That's how serious I am, apparently. ;)

If you have to contact a vendor more than once, do it. If you have to contact them more than twice, do it.

Also, remember that as you continue using these emails, building your list, and making sales...

You will start getting approved by more vendors more quickly.

C'mon, don't be helpless, okay? :D

You got this, baby!

Rock it out.

Thanks and enjoy,

Lee Murray

If anybody knows the struggles of Internet marketing, it's Paul Nicholls.

Here is a guy who went from flat on his back... with a virtual well that had run bone dry overnight... to a true go-to guy in the IM world.

The guy tried everything. YouTube marketing, affiliate sites, niche sites, SEO, CPA, PPC, domain flipping... and after years, he wasn't a whole lot better off than he was when he started.

>> [Click Here to See What Finally Turned It Around!](#)

Before he had this major breakthrough, Paul says he felt like crying.

Have you ever felt that way when it comes to your online business? I can tell you from experience, I think we all have.

It can get pretty damn bad. Especially when you get your hopes up, and something actually starts to produce results for you...

You feel like you just struck gold! You tell everyone you're gonna be rich soon. ;)

...And then it all dries up.

It happens to good people every day online. But people like Alex Jeffreys, Lee Murray, and Paul Nicholls have discovered the secret to longevity. The one thing that NEVER dries up...

This really is the holy grail of IM.

Promo #2 – “How to Build Your First List” by Reed Floren

1. “I Wish I Had This When I First Started!”
2. You Don't See THESE Reviews Every Day...
3. Are You Content With Just “Punching the Clock?”
4. So What IS the ULTIMATE Lifestyle Business?
5. Live Anywhere... Go Anywhere... Still Get Paid!

Body:

Let's face it. There are tons of viable ways to make money on the Internet.

But there's very little debating the fact that they're not all created equal.

Some make you more money... others make you more immediate money... and others still have the power to earn you a residual, autopilot income.

>> [Click Here to See the BEST Model!](#)

We've talked about list building before. But Reed Floren may have a whole new answer for you. In fact, you owe it to yourself to see his reviews...

People are not typically this endeared to a product, or its creator. And that's because Reed really knows his stuff, and he's extremely patient in his coverage of this all-important topic.

And I'm sure I don't have to tell you how refreshing that is. We're living in an IM culture where product vendors just gloss over things that they believe to be “common knowledge.” Reed covers these things clearly and concisely.

He doesn't just explain steps either... he tells you why you're doing what you're doing so that you're far more motivated to take the necessary actions.

It's really benefits-oriented training. I know you'll love it...

>> [**Click Here to See the Reviews and Grab This Now!**](#)

I know you have lots to do, so I'm gonna get out of your way so that you can get your hands on Reed's thoughtful, detailed list building program now.

You're about to be very impressed... and you may even change your whole life starting with this one action, on this one day.

I really hope this is the case!

Ari Rothland. If you haven't heard of him, you really need to become familiar.

Dude's buying traffic for just a couple pennies a click and turning it into 7-figures, over and over again!

Think he might have something to tell you?

>> [Click Here to Get Told!](#)

Trust me, this is something you need to do. With a budget of nearly zero, it is absolutely possible for you to scale your way to a six-figure income in under a year. This is like traveling back in time to the days of 2 cent Adwords clicks.

I mean, it's JUST like that!

What kind of email list can you build with that much cheap traffic. 50,000 subscribers? 100,000 subscribers?

How many niches can you exploit and KILL IT with? Dozens?

And most importantly, what kind of a passive income can you generate for yourself? I'll tell you one thing...

>> **[Click This Link and You'll See How Much Ari Generates!](#)**

It'll leave your jaw dropped, yes. But it should also leave your heart pounding out of your chest in anticipation of what's really possible for YOU!

Get over there now. The price is rising and, quite frankly, this is an opportunity that you simply cannot afford to let pass you by.

Go go go!
