Introduction

In many of the popular niches, it can be difficult knowing where to start finding Public Domain works. This Module contains checklists for popular authors in 8 different, profitable niches.

On each page, you'll find 15 different authors to search for except for the Children's Books where you'll find 20.

Happy hunting!

Cooking and Recipes

Huge niche in which people get frustrated by the heap of low quality PLR recipes - you could create a solid basin less by taking some of the old recipe books, and doing a series of "Food Like Granny Used to Make", complete with period photos from the books.

Catharine Beecher

Louise Bennett

May Byron

Lydia Maria Child

Rufus Estes

Fannie Merritt Farmer

Elizabeth S. Hayes

Mrs. Simon Kander

Eliza Leslie

Esther Levy

Mary Randolph

Amelia Simmons

Eleanour Sinclair

Joseph Dommers Vehling

Children's Books – 18th and 19th Century

I've deliberately left out some famous authors so as to list less-well known ones.

Horatio Alger Jr.

Anna Laetitia Barbauld

Frances Hodgson Burnett

Wilhelm Busch

Lewis Carroll

Susan Coolidge

Thomas Day

Charles Dickens

Mary Mapes Dodge

J. Meade Falkner

H. Rider Haggard

James Janeway

Andrew Lang

Charles Perrault

Vishnu Sharma

Ethel Turner

Jules Verne

Dating and Sex

As well as the authors listed below, look for books in categories such as Sacred Sexuality and Tantra.

Giacomo Casanova

John Cleland

Dr. Evelyn Millis Duval

Walter Hadden

Arnold Haultain

S. Dana Hubbard

Abisha S. Hudson

Hargrave Jennings

Kamasutra

Edward Moore

Ovid (Arts Amatoria)

T.W. Shannon

Reay Tannahill

See also [The Pearl](#)

Erotic Fiction

The Victorian era is a fertile source of books on erotic fiction. Some were written by authors under their own or pen names. Others were written anonymously, hence the listing of 4 of the better known publishers from that era.

Charles Carrington

Rosa Coote

William Lazenby

Leopold von Sacher-Masoch

Alfred de Musset

James Campbell Reddie

George Augustus Sala

Edward Sellon

Algernon Charles Swinburne

Jean de Villiot

Look also for work written anonymously but published by:

George Cannon

William Dugdale

John Camden Hotten

Leonard Smithers

Esoteric and Occult

Another popular niche with plenty of opportunity, particularly for audio books and podcasts which are rare in this field.

Annie Besant

H P Blavatsky

R. H. Charles

Albert Churchward

Charles Fort

Francesco Maria Guazzo

Manly P. Hall

C W Leadbetter

Éliphas Lévi

S. L. MacGregor Mathers

P. D. Ouspensky

Elizabeth Cady Stanton

Montague Summers

E. A. Wallis Budge

A. E. Waite

Take a look at [Sacred Texts](#). It's the largest collection I've found of books on the esoteric, religion and spirituality on the net. You'll find more material there than you could possibly use in one lifetime!

Golf

Golfers spend a lot of money on their hobby. Finding early golf books and reprinting them could be a little gold mine.

Or how about sourcing old golf posters, getting them printed and selling them to golf clubs for their bar and changing room walls?

Archie Baird

Robert Chambers

Robert Clark

Bernard Darwin

H S C Everard

Horace Hutchinson

Bobby Jones

Henry Leach

W.E. Norris

Francis Ouimet

Willie Park Junior

Edward Ray

Robert Howie Smith

D.G. Soutar

Walter Travis

History

In my opinion, education in general and history in particular are going to prove to be highly profitable niches. So much education material today is lightweight and is written more to be politically correct than historically accurate. Children with an interest in a specific area need more content than is provided by modern school books.

Jacob Burckhardt

Thomas Carlyle

Baldassare Castiglione

Carl von Clausewitz

Frederick Douglass

E. Norman Gardiner

H. A. R. Gibb

Emma Goldman

Peter Kropotkin

Vladimir Ilyich Lenin

Walter Lippmann

Niccolò Machiavelli

A. T. Mahan

Henry Mayhew

John Stuart Mill

Theodor Mommsen

Sun Tzu

Look also at [Worldwide School](#). It's a huge collection of educational material with the stated aim of "Growing great minds, one click at a time."

Writing

People are forgetting how to write. Not only that, there's a hungry market of people who are not English native speakers who want to learn how to write clearly.

Edwin A. Abbot

William Archer

John H. Bechtel

Ambrose Bierce

W G Bleyer

Sherwin Cody

Arthur Quiller-Couch

Mary Owens Crowther

Joseph Devlin

Robert Saunders Dowst

Harwood Frost

Brendan Henessy

Grenville Kleiser

Elber Moore

Walter K. Smart
