How To Use

This software is designed to be very easy to use.

All you really have to do is fill in information the way
you would do when you are filling out any other form.

Step #1:

Open up the software.

Step #2:

Simply follow the instructions in the software filling
in the required information as you go.

Step #3

Once, you are done, you can save the 2 Step Opt-In Page
page as a HTML on your computer or copy it to clipboard.

Step #4

Upload your saved or edited opt-in page to your server and
link to it. Your limited offer page should now be ACTIVE.

e.g. http://www.yourdomain.com/your2stepoptin.html

*** If you DO NOT have a server, you can copy the HTML code and
paste into any free service e.g. blogger that allows HTML code.*

Header Or Opt-In Page Image HTML

If you are using the header image or product image, use this code.

`<img src="http://yourimageurlhere.com/image.jpg" border="0">`

Upload your button, to your server and link to it replacing the URL above.

Opt-In Page Video Embed Code

Make sure you use single line <iframe> code only. If you want to use multi line javascript code, then you have to enter a dummy code in the software e.g. [videoembedcode] then go in and add the multi line code using any HTML editor.

** Sometimes the Youtube <iframe code> leaves out the http: within the code add that in the software or else your video will not play on your page.

Opt-In Page Subscription Form Code

Make sure you use single line <javascript> code only. If you want to use multi line html code, then you have to enter a dummy code in the software e.g. [optinformcode] then go in and add the multi line code using any HTML editor.

Important User Tips

User Tip #1: When the field asks you to enter your color choice, the color codes in the example are the same color codes as in the demo pages. You can just use copy and use those as your preferred color choices.

User Tip #2: If you want to add links to your Privacy, Disclaimer, Earnings, Terms pages. You can use the 'Additional Info' field. Simple insert your html code.

User Tip #3: If you find your opt-in form is too small for the lightbox, in Aweber you can drag and adjust the size to make it bigger, so it is a perfect fit.

Have fun with the software! :)
